SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

Hi guys, I'm a huge fan of Latina women, especially if they are naked. And, one of favorites is Eva Lovia, so I loved the photo layout in that issue of Swank. I usually don't write letters, but I liked seeing her without a cock in her mouth or pussy. I can use my imagination that it's me that will be with her. I don't mind her dildoeing herself because that's what girls do to get off and I like that too. It's a private act I like sharing with my women. I wish I was there to help her. Maybe I could make it wet or help her put it into her beautiful holes. Anyway, I'm finding myself sounding like a weirdo, and I'm not. One last thing, I really liked the photography. It was clean and bright and showed off this wonderful woman.

– Carlos, Dallas

Oh yeah, the photos of Eve and Silvia were hot, hot, hot. It has been a while since I've seen Silvia and she still looks stunning. I remember some of her earliest scenes when she looked like a kitten. Even though she's been out of the adult biz for almost ten years, for me, she's left a legacy of cute girl to sensuous siren. I kinda remember her getting into the business in the late 90's and she was in that kinda weird, kinda neat weightless sex movies. Good stuff. Then she came to America and made a bunch of videos and she glowed in each one. But frankly, I'm not that familiar with Eve, though. Even more frankly, it doesn't matter because the two of them are so fucking hot together. So, thank you for a wonderful sex scene, and thanks for bringing Silvia back.

– Sean, New Orleans

*Tired of one job? Then try another.
You'll never know what perks await you
until you try it. Sometimes those perks
are way better than a meager 5% raise.
And if you do, the pleasure of the world
open up for you. Go ahead.*

I don't know if I made the correct career move. I left my secure accountant job to test new driver's for the Texas DMV. Little did I know it would turn out to be a perfect job for me. Jill was back for her third try. She almost passed on her second try, but had a real hard time parallel parking so I couldn't pass her. Besides, she's always a hoot behind the wheel.

Today, we're on the streets of Irving, when she suddenly slams on the brakes almost sending me flying right through the windshield and into the back of the police car she'd been tailgating for the last two blocks. I pushed away from the dashboard and looked over at the 27-year-old. "Jill, you have to be at least one car length between you and the vehicle in front!" I politely scolded. "We went over that when you rear-ended the minivan in your last test."

Jill was a twice-divorced, hot blonde in a tight white top and short black skirt who never had to learn how to drive. She once told me that her parents took her everywhere, and then her husbands would do all the driving. There was no need for her to learn. But now, on her own for the first time, it was a necessity. She blushed under her tan, gripping the steering wheel like it was the neck of a mean girl. She turned her head and looked at me, smiling sorrowfully. "I just can't seem to get the hang of it, Richard."

We get off the surface streets and onto Interstate 30. Barely a mile into it, a truck horn exploded behind us. Jill screamed, and I waved the two-ton around us. Jill pulled her well-manicured fingers off of the wheel and smacked her hands down onto her bare thighs, riding her short skirt up her legs even more.

"Oh jeez," she moaned suddenly, looking down. "I can't believe that I just wet myself!"

structor academy teach us to be prepared for anything when testing wanna-be motorists, but this had to be a first. I glanced in between Jill's long smooth legs. Her white cotton panties were now peeking out and there was a definite wet spot showing on them. Not knowing what to say, I blurted out "Please, just pull off at the next exit and go into that truck stop," I said pointing to the tall signs off the side of the road. "Drive to the back parking lot and we'll figure things out. Okay?" I said.

Jill grinned at me and floored the vehicle towards the exit. She barely made the long right turn to the truck stop's parking lot. She skidded to a stop and turned off the car and looked at me, the seat belt splitting her large boobs down the middle. She glanced over at me and said, "I have a confession to make, Richard," Jill whispered. "I think I'm wet for another reason besides fright." She shifted the gearshift into Park, and she grabbed my hand and plunged it between her legs, squealing as my fingertips squished up against her soft, springy dampness.

"You do this to me, Jamie!" she gushed. "I have a total crush on you."

I stared at her while feeling her warm juice wetness. My dipstick tingling with unreasonable excitement in my pants. I was much, much older than her. I had professional standards to maintain. Our job was to test her on the road, not the ropes. But none of that mattered anymore, not with her lush boobies bobbing up and down on her heaving chest, her bare, sun bronze limbs in full view, and her moist pussy pulsing against my fingers, my rubbing fingers. "Oh, yes," Jill moaned, her eyelashes fluttering, "That feels so good!"

Where we had stopped, there was no one around, no cops, nor DMV officials – no wife. I rubbed faster, excitedly petting her cotton-clad pussy. She grabbed my head and kissed me on the mouth. Her lips were warm and wet and soft as her pussy, her breath bubble gum fresh in my mouth. She smeared my face with strawberry lipstick, clawing at my gray hair, undulating her pussy against my experienced fingers. My cock was a vibrating rod of unabashed sensation in my pants.

Jill let go of my head, shrugged off her seat belt and

peeled off her top. Her full boobs bounced out into the open, tanned as the rest of her, tipped by puffy, succulent nipples. She gripped them and squeezed them, plucking at her nipples. She thrust her pussy harder against my fingers, urgently trying to get off.

What kind of instructor would I be if I gave short shrift to such a rich learning opportunity such as this? The one of kind of instructor, that's what kind. And I wanted to keep the little vixen coming back for more. So we scrambled over onto the back seat, so I could really demonstrate the width and depth of my knowledge. She flopped down on her back and I sprawled on top of her, wrapping up her boobs and plunging her nipples into my mouth. She squirmed and moaned with delight as I groped her breasts, and sucked on her rigid little buds. She wiggled her panties down and then grabbed onto my cock. It was my turn to squeal, jolted by Jill's hot hands and clutching fingers on my ultra sensitive stick shifter.

She pulled my head, and my ear, closer to her puckered mouth, whispering that she wanted me to fuck her, now. She tighten her grip around my rod and guided it into her steam pot. Like all hormonally injected divorcees, she was impetuous and quick off the mark. She pulled my dick through her pussy lips and plunged my shaft into her tunnel before I could even react. She was pure velvet wetness. We moaned in each other's faces. Gripping her boobs and tonguing her slippery, kitten pink tongue, I felt my stick shifting back and forth in her pussy.

She wrapped her legs around my waist and dug her nails into my back as I hit third gear, then fourth. I was bathed in sweat and her sweetness, pounding her tight pussy. She screamed, quivered wildly with girly orgasm beneath me, and gushed against my thrusting loins. I rocked and cocked her in fifth gear, worried only slightly that the pussy alarm I set off would attract passersby. But I worried no more, as my flapping balls suddenly tightened and tingled, and my piston pounded hard into Jill's pussy. I moaned I was cumming but I couldn't get all the words out, just my jolting seminal blasts all over her flat tummy and watched it pool in her navel.

We tried to clean up as best we could and got back on the freeway, This time, I was driving. Jill keeps failing her road tests with the DMV, but never with me. I give her an A++.

Wishful Thinking

Gianna Michaels

Us: Good morning Gianna. Sleep well last night?

Gianna: Yes, but why are you asking?

Us: We heard you were out partying until three in the morning.

Gianna: It was four, actually, and I had a great time. We shut the club down.

Us: Well, you look well rested and I look forward to our little talk this morning.

Gianna: Okay, I'm ready.

Us: I understand that you'll be pushing fifteen years in the adult business. Seems to me that you are more famous than ever.

Gianna: Well thank you. Yeah, ever since social media became huge, seems like my fan base has exploded. And I'm thankful for that. My fans, as well as my libido, are what keep me going.

Us: Can you recollect how you have changed – sexually – through these years?

Gianna: Ooooh, that's a bit of a tough one. I don't remember much from the early years. I think I was pretty scared to have sex on camera, with people I didn't know. It was easy to start out doing just girls, but I always had a hankering for cock, and so that came into play. Then it was groups of various combinations, and I found that to be quite fun. I liked doing two guys at a time.

Wishful Thinking

Gianna Michaels

Us: I hope this isn't too much of an obvious question, but how important do you think your beautiful full breasts contributed to your success?

Gianna: Well, I'd be lying if I said they didn't do much to enhance my career, but they did. And I like that. They are a part of my on camera personality as anything. In this world of augmented boobies, I feel quite blessed to have natural ones. Everyone that has touched them compliment me on their soft-yet-firm feeling. Admittedly, I do try to take good care of them.

Us: Take care of them? How?

Gianna: Well, I do upper chest exercises, get regular massages, and lotion up after every shower or bath. I thought every girl does that (chuckles).

Us: May I please change the subject from your boobs to your butt?

Gianna: Sure, what about my butt?

Us: It was only recently that you have been doing anal scenes. What changed your mind?

Gianna: I had started doing it in my personal life and it

took a while. I wanted to be comfortable doing it, rather than go on set and start whining and screaming. But it wasn't that bad, and I began to dig it. I still consider it a privilege for my partner to fuck me there, so I don't do much and only with certain ones. Also, once social media kicked in, I got bombarded with requests from fans to do it. That helped convince me, too. After I few videos surfaced, my fan base increased by at least 10-12 percent! Yay!

Us: Now here's question I've never asked anyone before... How many orgasms do you think you have had, professionally.

Gianna: Professional orgasms? Never heard it put quite like that.

(Gianna reaches for her cell phone and opens the calculator app) Let me see... (as she begins to do the math) I'm gonna round off my years in the biz to fourteen; figure a couple orgasms per scene; figure six scenes per month... that's 144 times 14 or just over 2,000. Nope, it's gotta be more so I'm going to round up to 3,000. (tap, tap, tap) That would be one every 1.7 days. Nope sounds like too much. Lets just say one every two days. Yup, let's go with that. (she taps some more and then pushes the phone aside)

Us: Uh, wow. I think I have to go now and try to catch up!
